ADMINISTRATION

Superintendent's Message

Your graduation from high school is indicative of your desire to further your education. Success can be yours. It depends entirely upon you. I hope that you may never fail yourself and continue to merit the confidence of your parents and teachers.

I congratulate you and extend to you my best wishes for continued success.

Paul W. Skeen

PAUL W. SKEEN received his A.B. from Marshall University and his M.A. from Peabody College.

Principal's Message

Dear Seniors,

An important part of your education is now complete. The diploma you receive will open the door to an institution of higher learning or a job. The importance of your high school training will become more apparent as the years go by.

You should make every effort to take advantage of the many opportunities available today, and try to use each as a stepping stone. Success, a product of ambition and hard work, comes only to those who are willing to put forth the effort.

As a parting gesture allow me to offer the following advice: Always put your best foot forward, stay on the straight and narrow, and press ever forward until you achieve a worthwhile goal.

My sincere congratulations and best wishes.

C. C. Short

C. C. SHORT attended East Tennessee State University, University of Tennessee where he received his B.S., V.P.I. and the University of Virginia where he received his M.A.

With Thanks to . . .

I wish to congratulate you upon completing your high school education at Haysi High School. Your knowledge gained here should make it easier for you to make logical decisions in the future. Let completing here be only an intermediate goal with your sight projected to some worthy future. Many opportunities are available for those that pursue a definite goal. For most of you, this will require additional education and training for your career.

May all your education aid you in finding a useful and proper place in society.

"I got the beat!"

Sue, this is not the place for sit-ups!

"Wait! I'm not ready."

Is this the football squad or is it the government class?!?

"My, those hamburgers were good!"

"Let's see now, where are you supposed to be this period?"

It's been a hard day.

Farewell . . .

As graduation draws near, the Senior Class turns hopeful eyes to the future. We are now ready to begin fulfilling our hopes and dreams and to establish a place for ourselves in the world. We look upon the past years with pleasure, but upon the future years with anticipation.

Perhaps our goals will be realized--perhaps we will fail. But come what may, we will keep the treasured memories accumulated during our high school years.
